

A man with dark, curly hair and a blue jacket is leaning over a table, looking intently at a small, dark, cube-shaped object. Another man with light, curly hair and a white jacket stands behind him, looking on. The table has a glowing, golden, geometric pattern on its surface.

ERA UN OBJETO DE APENAS  
CINCO CENTÍMETROS CÚBICOS.  
NADA EN SÍ MISMO.

A large, glowing, spherical structure composed of a dense network of golden lines and points, resembling a complex web or a celestial map. It is set against a dark, starry background. A bright light source is visible at the bottom left, casting a beam of light towards the structure.

PERO ESTABA CONECTADO A  
TRAVÉS DEL HIPERESPACIO  
CON LA GRAN AC GALÁCTICA  
QUE SERVÍA A TODA  
LA HUMANIDAD.

A wide, panoramic view of the complex, glowing, spherical structure. It is a vast, intricate web of golden lines and points, with a central bright light source. The structure appears to be a map or a network of connections, possibly representing a galactic or interdimensional system.
